

REMARKS

These remarks are directed to the office action mailed March 11, 2008, setting a three month shortened statutory period for response set to expire on June 11, 2008. The remarks and comments by the Examiner have been carefully considered. Claims 1-48 are currently pending.

Prompt reconsideration is requested in view of the above claim amendments and the following remarks. As indicated, amendments introduce no new matter.

Claim Rejections under 35 USC § 112

Claims 21 and 22 have been rejected under 35 USC § 112 as being indefinite for failing to particularly point out and distinctly claim the subject matter. Claim 21 has been amended to clarify that the combination comprises “an adjustable foot according to claim 1.”

Applicant submits that claim 21 and its dependent claim 22 are now patentable under 35 USC § 112.

Allowable Subject Matter

The Examiner has stated in the office action of March 11, 2008 that claims 1-20 and 23-48 are allowed.

Conclusion

In view of the above, it is respectfully submitted that this application is now in good order for allowance, and such early action is respectfully solicited. Should matters remain, which the Examiner believes could be resolved in a telephone interview, the Examiner is requested to telephone Applicant's undersigned attorney.
